Log Data

We want to inform you that whenever you use our Service, in a case of an error in the app We collect data and information (through third party products) on your phone called Log Data. This Log Data may include information such as your device Internet Protocol ("IP") address, device name, operating system version, the configuration of the app when utilizing our Service, the time and date of your use of the Service, and other statistics if required for troubleshooting and usage or operational issue. The purpose of this data is only for maintenance purposes and the data is not retained post the procedure being completed.

Cookies

Cookies are files with small amount of data that is commonly used as an anonymous unique identifier. These are sent to your browser from the website that you visit and are stored on your device internal

memory. This Service does not use these "cookies" explicitly. However, the app may use third party code and libraries that use "cookies" to collection information and to improve their services. You have the option to either accept or refuse these cookies and know when a cookie is being sent to your device. If you choose to refuse our cookies, you may not be able to use some portions of this Service.

Service Providers

We may need to employ third-party products or services for the following reasons:

- To facilitate and improve our Service;
- To provide the Service on our behalf;
- To perform Service-related actions; or
- To assist us in analyzing how our Services are used.
- To assist in maintenance and troubleshooting.
- For reports and dashboards

These third-party providers are obligated not to disclose or use the information for any other purpose except for the intended use for the service of these applications.

Security

Personal information is safeguarded at all times and only used for the specific function of this service. All Data collected and stored is encrypted with strict access rules. All international best practices to safeguard data have been implemented. However, no method of transmission over the internet, or method of electronic storage is 100% secure and reliable, and We cannot guarantee its absolute security.

Links to Other Sites

This Service may contain links to other sites. If you click on a third-party link, you will be directed to that site. Note that these external sites are not operated by us. Therefore, we strongly advise you to review the Privacy Policy of these external links. We have no control over and assume no responsibility for the content, privacy policies, or practices of any third-party sites or services.

Children's Privacy

We do not collect any information directly from children under 13. In the case we discover that a child under 13 has provided us with personal information, we immediately delete this from our servers. If you are a parent or guardian and you are aware that your child has provided us with personal information, please contact us so that We will be able to do necessary actions.

Data Accuracy

The accuracy of data depends on the device working condition used and appropriate and timely data entry by the school along with network conditions of the user.

Changes to This Privacy Policy

We may update our Privacy Policy from time to time. Thus, you are advised to review this page periodically for any changes. We will notify you of any changes by posting the new Privacy Policy on this page. These changes are effective immediately after they are posted on this page.

Your Consent

By using the Application, you are consenting to our using and processing of your information as set forth in this Privacy Policy now and as amended by us from time to time.

Contact Us

If you have any questions or suggestions about our Privacy Policy, do not hesitate to contact us.
